Jeff, PG&E End Battle

An agreement to "pool resources" in search for a Jefferson Elementary School site was reached by the district board of trustees and PG&E officials at a special meeting Wednesday night.

Two weeks ago the district had started condemnation proceedings against the electric utility to obtain five acres of property near Edgemar road on the 304-acre Zanone estate.

The district at that time contended the land to be used by the PG&E for a pole yard was the last available site for a new school in that area.

Offer Services

Wednesday the PG&E offered the services of their land agent to procure a piece of the Zanone land suitable for a school site.

The area tentatively proposed would be directly north of the PG&E yard.

In the meantime, William P. Bedgood, PG&E division superintendent, said his company would refrain from developing their property into a pole yard until the report on the land acquisition is given at the next board of trustees meeting October 27. The district has agreed to postpone their condemnation proceedings directed against the utility.

H. Z. Weibel, district superintendent, said representatives of both the district and the PG&E would investigate the possibility of acquiring another parcel of land.

"Indications now are that there may be an available site in the same immediate vicinity of our first choice," Weibel said.

Said Last Site

In contesting the PG&E's original application for use of the land, the district had said the piece in question was the last school site available.

Construction on the proposed $300,000 school to serve Colma-Broadmoor probably won't start for the next three or four years, Weibel pointed out, but the district is anxious to plan ahead and acquire a site now. A district garage and warehouse will also be built on the property.

Wednesday the trustees discussed naming the school and decided in favor of the name of a local personality, but said they wouldn't announce their decision until this person grants approval for use of the name.

Mullen Delegate

In other business Wednesday, the board named trustee Katherine Mullen as delegate to the California State School Board association's annual conference in Long Beach October 22, 23 and 24.

Approval was granted for the Daly City recreation department to use the Woodrow Wilson, Westlake and Colma multi-use rooms for Halloween parties October 30.

Next regular meeting of the board will be held October 27.

"HOW DRY I AM" and "my aching back" were old favorites that came into considerable use Sunday on Mission street as the World Series bet of the year was paid off. The losers (who bet on the Indians) had to push three winners a distance of 2½ miles in wheelbarrows. The course was from the "top of the hill" in Daly City to Market street in Colma and back again. Making the wager more difficult, every time the pushers stopped to rest they had to buy drinks all around. Shown here about one-quarter way back on the return trip are (pushing, left to right) John Piorowsky, Joe Lewkowitz Jr. and Del Fehl. Riders, left to right, are John Melani, Bill O'Neil and Gus Sebastiani. Bill Watson stands at center while Frank Lister totes auxiliary wheelbarrow which contains liquid sustenance for the journey. Entire trip took about one hour and a half. Next year it should be more interesting. The participants wives say they are going to make the same wager. THE RECORD photo

THE 'TOWN RECORD

By MONTE DAYTON

The pomp and circumstance of flash bulbs popping, councilmen seated importantly in their regal station at the front of the chambers, and a goodly-sized crowd in the audience Monday prompted a young lass attending the meet with her folks to ask:

"Is President Eisenhower going to be here, Mama?"

After settling down to the importance of the occasion, the girl and her sister settled down at the official session to two hours of knitting.

PETE MARKOVICH, well-known local figure who's always on the fringe of political activity, would run as a write-in candidate for Assemblyman against fellow Demo JAMES DALY if he only had the dough.

Would take about $4500 to finance a real whoop-te-do campaign, he figures.

Just call her lucky: EDITH CRIQUE of 480 C street, Colma, last week won $100 at a Holy Angels church bingo party.

This week she received word from Garberville that that $1 book of tickets she had bought there on her vacation had paid off—to the tune of a $50 war bond.

That embarassing arrest of three men, charged with selling liquor without a permit, at a South San Francisco church function, has had repercussions here.

Local officials are playing it cautious. The Daly City-Colma Lions won't be able to serve any hard-likker at their community center dance Saturday. They had been counting on the spirits to make their dance a financial success. They'll have to count a lot of empty beer bottles to make up for the loss.

That sewer inspector's badge snorted by LES RITCHIE, Westlake Associated gas dispenser, is the real McCoy, we're told this week.

Ritchie's official appointment to the august position is straight from county supervisor TOM CALLAN.

VANCE X. CRAFT drew laughs at Monday's council meet when he said he was probably the only local real estate man who wasn't involved in politics. Realtor-councilman DEL WILSON was even mirthful.

There was little laughter a few moments later, however.

Craft made the remark that although he had completed a four-

Policeman Thanks Residents For Attending Ball

Henry Sundermann, Daly City traffic inspector and vice president of the Peninsula Police Officers association, this week extended thanks to all local residents who purchased tickets to the recent policemen's ball.

"This is the only means we have of gaining revenue for our widows and orphans fund, and the money helps a great deal in continuing the fund," Sundermann said.

TIPSY DRIVER GETS $150 FINE

Sennie Henry Racette, 61, of 299 Westlake avenue, pleaded guilty to charges of driving while intoxicated before Judge Thomas L. Bocci yesterday (Thursday) in municipal court and was sentenced to pay a fine of $150.

Racette was picked up by Daly City police on Santa Barbara avenue the evening of October 4 after he had run into a parked vehicle with his auto.

Bocci recommended that Racette's license not be suspended, since it was his first offense.

Larkin Roller, 767 Thornhill drive, Broadmoor, picked up by local police October 4 in front of a tavern at 212 School street, pleaded guilty yesterday to being drunk in a public place and was fined $50 by Bocci.

Max Reed, 139 Vista Grande avenue, admitted to charges of disturbing the peace in front of 2 Wellington avenue Friday, and was given the alternative of a $25 fine or five days in the county jail. He was given 10 days to pay the fine.

Jeff High Board Asks Student Transfers On Buses

A request to allow Jefferson high school students to obtain transfers for rides on the No. 56 and 76 buses was forwarded to the San Francisco muni railway Monday night by the high school board of trustees.

At present, students are charged 10 cents for each separate ride, making a total of 20 cents in each direction.

Votes in the $1,600,000 bond election were officially canvassed by the board with final results set at 2186 ballots for, 776 against.

Notice of completion for the new cafeteria building was signed by the board.

Contract for providing draperies for the homemaking department and teachers conference room was awarded to Daly City Blind and Shade at a price of $1257.

SSF ADVANCES NEW IDEA FOR SCHOOL BUILDING

Propose Assessment District To Finance

An idea that may have far-reaching implications in financing of school building here and throughout the state was made Monday night by the South San Francisco city council as that board proposed special assessment districts for the erection of new school facilities.

Pointing out that building of new school facilities places a "tremendous expense on taxpayers," the council went on to say that all taxpayers are forced to carry the burden of school facilities in newly-developed areas.

"This is an unfair burden to the citizens who are not directly benefited by the building in the new developments," the resolution continued.

Suggestion was made by the council that, "It might be advisable to enact legislation permitting raising funds for school building purposes by means of special as-

EXPECT 1000 AT DC-COLMA LIONS DANCE SATURDAY

Del Courtney and his 10-piece orchestra will provide the music for dancing Saturday night at the Daly City community center when the Daly City-Colma Lions present their first annual dance from 9 p.m. to 1 a.m.

Approximately 1000 persons are expected for the affair, which is the biggest event to be sponsored by the local Lions this year.

Tickets, selling at $1 per person, may still be purchased from any Lions club member and will also be available at the door.

Courtney, popular Bay Area television figure and top orchestra leader, will bring with him a well-known vocalist. At intermission, Lions Gil "Ted Lewis" O'Shaugnessy and Elio Fontana, accordionist, will perform.

During the dance a $100 war bond and four deep fryers will be given away.

Because of Courtney's appearance at the dance, it is expected to draw many persons from outside the Daly City area.

All persons attending Saturday's dance will be given a free Lions Souvenir Booklet.

Roy Arneson is Lions general chairman for the dance.

GET 'EM while they're hot, says ticket salesmen purveying ducats to the Daly City-Colma Lions first annual dance to be held Saturday night at the Daly City community center. Salesmen are Alan Arneson and John Gustafson. Making ticket purchases are school trustee Mrs. Katherine Mullen and John Dorfer, proprietor of Priscilla's Cake Box at King's Market, where ticket booth was set up.

¼ Million Dollar Assessment Plan

The city council gets a "day off" this coming Monday, but October 25 the city fathers are expected to have their hands full when two public hearings are held on formation of assessment districts amounting to a quarter million dollars.

Formation of the districts will cost homeowners in areas concerned an estimated $43 apiece and it is expected a wave of protests will greet the council.

First hearing will be held on the creation of a $189,000 district in the $75 Homestead.

Second hearing, involving residents in the area east of Hillside boulevard bounded by East Vista on the North and Market street on the South, will be for the creation of a drainage assessment district to finance a $65,000 storm drain installation.

Ten-Year Finance

This will be financed on a ten-year period, with average assessment per property owner about $43, ranging to a high of $50 and a low of $15.

The drainage system is needed there to handle the great volume of water which annually runs at high depths down the streets in the area.

The $75 Homestead tract project is a more extensive one, including water lines, storm drains, sanitary sewers and paving of run-down streets.

No estimate was given on cost per homeowner, but it was believed it would be much higher than the storm drain project in eastern Daly City.

Will Award Bid

In the event the $75 Homestead district is approved, the council is prepared to award bid for the job the same night, and work can

COUNCIL GIVES BID ON PARK SITE DRAINAGE

Doelger Firm Says Will Finance Extra 50 Feet Of Pipeline

Bid for supplying a storm drain at Westlake park site, held over last week by the city council pending negotiations with Henry Doelger, Builder, Inc., was awarded Monday night to M & K Corp. for $21,520.

The council had delayed awarding bid until decision was made as to whether the city or Doelger would pay for an additional 50 feet of pipe which would bring the drain to the limits of city property.

In a letter read by the council Monday, the Doelger firm said they would negotiate with the contractor for construction of the extra 50 feet, to be installed at their own expense.

The M & K bid was among 10 submitted. Their figure was more than $11,000 below the city engineer's estimate on the drainage job.

The drainage project at the park site, located at the juncture of Lake Merced and Alemany boulevards, marks the first step in the eventual development of a 10-acre playground and recreation area. Next part of the project will be filling in of the proposed park area, which will be undertaken next year at a cost of about $27,000.

In other business Monday night a resolution was passed approving payment of $4887.36 to Hart & Hynding for work on Westlake Reservoir No. 1.

Fire Inflicts Heavy Damage At 2 Homes

Fire of undetermined origin inflicted heavy damages on two Winchester street homes late yesterday (Thursday) afternoon.

All three Daly City fire engines were summoned to the scene and were still battling the flames after an hour yesterday.

Mrs. Irene Hosford, of 348 Winchester, rushed safely out of her burning home with her eight months old infant girl in hands.

Ernest Lolax, resting in his home at 344 Winchester, where the fire was believed to have started, first heard a blast that presaged the actual flames. He rushed out to the street without harm.

One fireman was overcome briefly by smoke inhalation.

Damages to the two homes were estimated to be in the $1000s of dollars.

THIRD HILLTOP DOPE FIGURE ORDERED TO CYA

Draper Is Lenient Because Of Youth

James Lorenzana, 18, one of the three youths picked up at the Hilltop Lodge in August in connection with a crackdown on dope activity, has been turned over to the custody of the California Youth Authority.

Superior Judge Murray Draper said this week that in routing the youth to the CYA, he was acting on the recommendation of that group's parole officer. If it were not for the recommendation, the judge said, he would have sent the youth to San Quentin.

Lorenzana pleaded guilty to charges of possession and sale of marijuana.

His cohort who was picked up with him at the Hilltop, James Acevez, 20, was sentenced to San Quentin last week by Judge Draper after being found guilty of possession and sale.

Charges against Clarence Amoroso, third youth arrested in the Hilltop crackdown, were dismissed shortly after his arrest for lack of evidence. A month later he was re-arrested in San Francisco on new charges involving sale of narcotics. At time of apprehension he was also sought on a series of bad check charges.

"ONE MAN RULE" HERE NEXT WEEK

Daly City will be governed by "one-man rule" next week.

The councilmen Monday unanimously named Sanford Vickers acting mayor from October 17 through 20.

They had to.

Vickers will be the only councilman left in town those four days as the rest of the city fathers journey to Los Angeles for the League of California Cities convention which opens Monday.

Along with the councilmen the city clerk, treasurer and administrator will also be in attendance. Each has been allocated expenses of $150.

Because of the depleted ranks of city officialdom, no meeting will be held Monday night.

Laud Controller As "Watchdog" Of Cal. Treasury

Robert C. Kirkwood, incumbent state controller, was this week launded for his efficient past performance as "watchdog of the state treasury."

The Kirkwood committee, working for his election to office on the November 2 ballot, said "he has displayed a great talent for organization and administration."

Among his duties have been handling control accounts of the state, classifying incoming revenues, auditing all claims against the state and paying state bills.

In addition, Kirkwood and his staff administer the collection of truck, gasoline, inheritance and other taxes, and make the refunds on motor vehicle fuel taxes to non-highway users. His staff reports the fiscal transactions of government in California—state, county, city and district.

"His uniform reporting of governmental fiscal transactions had made for economy and efficiency in all levels of government in California," the committee said.

COUPLE DEMAND ACTION AFTER LETTER THREATENING DAUGHTERS

A letter threatening harm to their two young daughters brought a Westlake couple before the city council Monday night demanding immediate action.

Mr. and Mrs. Walter W. Kimbrell, 24 Garden Grove, read the following anonymous letter to the council: "You had better mend your ways or something might happen to those brats you call girls."

According to the Kimbrells, the threatening missive was written after they had complained that neighbor children were throwing baseballs against their home and using profane language against Mrs. Kimbrell.

"Because of our efforts to protect our home we have become subjected to abuse from the neighbors," Mrs. Kimbrell said.

According to Mrs. Kimbrell, she'd been to the Daly City police and the district attorney's office, all to no avail.

"The Daly City police said there was nothing they could do about it as long as no physical harm was done to our home," Mrs. Kimbrell said.

Mr. Kimbrell then arose to say, "I'm an ex-policeman and the handling of this case was the worst I've ever seen."

The couple demanded to know if there wasn't something that could be done to protect them and their property.

City Attorney Frank Blum said, "I'd like to look into this. He indicated some sort of action might be taken to stop this sort of thing. "If they're merely playing in the street there's nothing that can be done. However, if the ball hits your house then you have a legitimate complaint.

He said use of profane language also might constitute a violation of the law.

According to Daly City police report, the altercation between Garden Grove neighbors had apparently been settled on October 5 when residents of the area got together and agreed to keep their children out of the street.

The trouble apparently erupted again, however, with the result that "the chief of police made fools of us," according to Mr. Kimbrell.

Mayor Joseph Verducci asked action on the problem and called for a follow-up report from the chief of police.

get underway within a month.

However, on the east of Hillside storm drain project, plans and specifications are not yet completed and work will probably not start until early 1955.

On both districts, tax assessments will be determined on the basis of amount of area and use of that area. Owners of undeveloped property would pay less money, even though the area was greater, than would owners of property with a dwelling on it.

Even if protests are in the majority at the October 25 hearing, the council may overrule them and approve formation of the two districts. Under law governing sixth class cities, the city may force formation of such districts if the problems are a menace to the health and public safety.

SOUTH CITY MAN SUFFERS INJURIES IN CAMINO CRACKUP

A South San Francisco man is still confined to Junipero Serra hospital today after smashing his auto into a telephone pole on El Camino Real in Colma Tuesday night.

Orville Brown, 32, was traveling south on El Camino about 11:30 p.m. when he lost control of the vehicle near F street, careened against a building and smashed into a power pole, shearing it off at the base. The car was a total wreck.

Broadmoor police rushed Brown to Junipero Serra hopsital by ambulance.

He was treated for shock and severe lacerations about the forehead and face.

sessment proceedings so that the area directly affected and benefitting may bear a fair and equitable share of cost."

The South City's council's proposal, which will be presented at the convention of the League of California Cities in Los Angles next week, is particularly applicable in the Daly City area, where new developments have necessitated millions of dollars worth of new school buildings.

Copies of South City's resolution will also be forwarded to the state legislative interim committee on municipalities and the San Mateo county board of supervisors.

The resolution said that the problem of providing adequate school facilities for new urban areas was becoming "acute," and added that "the end is not in sight."

The council was quick to point out that a municipality had no jurisdiction over school matters, but said that the city was merely going on record as favoring investigation on the problem.

The South City officials commented that the school building situation was more acute in the Bay Area and Los Angeles than anywhere throughout the state.

MEN CELEBRATE LAYMEN'S WEEK AT VISTA GRANDE

Men take over at the 101 Vista Grande Avenue Christian church next Sunday, celebrating the Annual Laymen's Week Sunday. Everett Allen, president of the congregation, will preside, and short talks will be made by James Yarbrough, Harold Emmert, Oliver de Graaf, David McKee, and Robert Miller. Ben Marsh is the morning soloist.

Dr. Howard Patrick McConnell, minister of the congregation, reports that the laymen of the church meeting every Monday night for work have now completely redecorated Fireside hall, and are now in the process of remodeling and redecorating the Baptistry Sanctuary.

Verne Simpson has made a large Sunday school cabinet and presented it to the church. A wood lathe, and bench saw also are recent gifts.

Men of the church meet in a dinner program the first Friday of each month. Charles Baldinger is president, and James Yarbrough vice-president.

Weird Incident Resembles 'Three Little Bears' Tale

An incident bearing all the ingredients of the "Three Little Bears" episode was reported this week to Daly City police.

Amelia Mazzoella, 35, of 184 A Santa Cruz avenue, told officers she left her home last Thursday from 8 a.m. to 11:30 a.m.

On returning she found someone had entered the home by removing a piece of cardboard from the window.

On further investigation she discovered that the bedroom door had been forced, an empty piggy bank there broken, and then the kitchen had been entered.

The visitor, she said, fried a chip steak, ate two pieces of bread and part of an apple, then went into the front room and after drawing a skull and crossbones and writing a profane word on the wall, departed.

LOCAL EMPLOYEES URGE COUNCILMEN ATTEND NEXT MEET

The Daly City Employees association, in a letter to the city council Monday night, proposed that councilmen meet with their organization in order to discuss mutual problems.

Mayor Joseph Verducci urged fellow councilmen to attend the association's next meet, which will be held at 8 p.m. November 4 at Firehouse No. 1.

Three More Car "Boosts" Reported

Two car boosts here over the weekend netted thieves an estimated $53 in loot.

Saturday evening from 8:30 to 9:15 p.m. two cars parked in front of 127 Wilson street, home of Helen Murphy, were robbed.

The boosters struck Mrs. Murphy's vehicle, and that of her friend, Josephine Davis of Oakland. They took a pair of field glasses and a coin purse from the Murphy car, valued at about $50 in all, and a flashlight and screwdriver, plus a roll of pennies, amounting to $3, from the Davis auto.

Thursday of last week car boosters got $10 worth of auto accessories from the vehicle of Robert W. Bradish, parked at his home, 828 North Mayfair.

Citizens Committee For Bond Pasage Meets October 25

Monday, Oct. 25, the citizens committee for better schools will gather to discuss a campaign for passage of the Jefferson Elementary School district's $1,486,000 bond election December 7.

Beginning at 8 p.m. at the district administration building, 344 Santa Barbara avenue, committees to head the campaign will be named.

All persons interested have been invited to attend.

City Enters Contract With Trash-can Firm

Five-year contract with a waste-can firm was approved Monday night by the city council.

Fifteen garbage cans, to be placed throughout the city, will be supplied by Wes Emerson at no cost to the city.

In addition, the city will receive $18.75 a month revenue for advertising placed on the cans.

CITY HIRES THREE NEW POLICEMEN

Hiring of three new policemen was okeyed by the city council Monday night.

Newly-appointed officers are George Brooks, William Heim and Louis Dove.

Their appointments were made effective October 16.

Two more personnel are still to be hired for the police department.

May Call Bids For New Reservoir Roof

The city council is expected to call for bids October 25 for installation of a new roof on Daly City Reservoir No. 3.

The present roof is in very poor condition, City Administrator Dan Andersen said.

At the next meeting, the council also may advertise for bids on a $12,000 well to supply the new reservoir in Westlake.

Board To Select Architect From 5 For Next School

Architect for the Jefferson Elementary district's next new school project will be selected from a list of five qualified men, the board of trustees ruled Wednesday night.

Superintendent H. Z. Weibel will submit a list of five architects to the board, including the present architect, Mario J. Ciampi.

After interviewing each of the applicants, the board will decide which presents the best qualifications and then will make their decision.

Up to now, Ciampi has handled the majority of both Jefferson elementary and high school district architecture.

Launch Drive To Gain Xmas Toys For Needy Families

A drive to gain Christmas toys for needy families was launched this week, with a committee of four being named to handle the campaign.

Elmer Kennedy, fire chief, Jack Colthurst, Pete Markovich and Allen Brush will handle the drive.

Persons having new or used toys they would be willing to give for needy families may deliver them to Firehouse No. 2, 499, Santa Barbara avenue, Daly City, or Firehouse No. 5, 50 Lake Merced boulevard in Westlake.

Used toys submitted will be rebuilt by the Daly City fire department. Persons knowing of needy families who might be able to use the toys may contact committee members at PL. 5-1539 or PL. 6-0496.

Five Area Residents Give Pint Of Blood

Five Daly City-Colma area residents donated blood recently to the Peninsula Memorial Blood Bank.

Giving for the first time were: Evert D. Mason, George H. Paldi and La Vaughn H. Rogers, all of Daly City.

Second-time donors were: The Rev. Louis C. Marting, Broadmoor, and Albert J. Saarinen, Daly City.

SF MAN PLEADS NOT GUILTY TO EXPOSURE COUNT

Clyde I. McNett, 62-year-old San Francisco carpenter charged with indecent exposure before two young Daly City girls Saturday, pleaded not guilty to the charges before Judge Thomas L. Bocci's municipal court yesterday (Thursday).

Jury trial date has been set for November 16, 9:30 a.m., before Bocci.

McNett was picked up by Broadmoor police Saturday afternoon at 87th and Maddux after police said four elementary school girls from Westlake identified him as the man who had earlier exposed himself in front of them.

Broadmoor Chief Ray Savage signed the complaint against McNett. McNett was represented by attorney yesterday.

Letters To The Editor

No Boy Scout Money Here From Crusade

Dear Sir:

Last Spring a group of supporters of the Boy Scouts of America conducted an annual finance campaign in Colma and Daly City. I was chairman of the business division of that campaign and worked closely with officers of the Lake Merced District committee, in planning and carrying it out. The results of the campaign were good, and many new friends were made for the work of the Boy Scout organization in our community.

Subsequent to the campaign, I am informed that officials of the San Francisco Council, of which Daly City and Colma are parts, have indicated a willingness to make the Boy Scouts of America in Daly City and Colma a participating agency of the San Mateo United Crusade. This willingness was indicated formally, through letters, to officials of our county's crusade, but I am told that no reply was received.

Daly City and Colma have nine cub scout packs and boy scout troops. Our committee has plans for the organization of several more this winter. We feel that our program is working well for the boys in this area, and that great strides will be made during the coming months, because of the rapid growth of our community.

Since we will need to conduct our own finance campaign again in 1955, it seems only fair to the work of Boy Scouting in Daly City and Colma to point out that the Boy Scouts of America in these two communities is not affiliated at this time with the San Mateo United Crusade and receives no support financially from the latter organization. In making this statement, I do not, under any circumstances, wish to imply that I, personally, or other members of our Boy Scout organization in Daly City and Colma, are not in complete accord and harmony with the purposes of the United Crusade, and we urge the support and cooperation of everyone in our community for this most worthy cause.

Sincerely yours,
ROBERT E. HUNTER

Comments On Wilson's Paint Job Charge

Dear Sir:

I read in your October 7 issue where Councilman Del Wilson charged that the city was getting robbed on painting of the city garage.

Mr. Wilson further pointed out that he has been in the painting business for a long time and he knows that the job shouldn't cost more than $350.

I am a disinterested party, but in the interest of fair play, I looked at the job in question, after this adverse publicity.

If Mr. Wilson did jobs the size of this one for $350, it is no wonder that he is no longer in the painting business.

Respectfully yours,
Herman G. Kalinin

Jeff High School Trustees Extend Thanks For Support

Gentlemen:

We wish to take this opportunity to thank you for your generous support of the recent bond election campaign.

We felt that the successful conclusion of this question was very essential to the welfare and education of the youth of this community. We realize that the support of the local newspapers in this campaign was of great importance.

Safety News From Your Local Police

Night doubles traffic troubles Inspector H. Sundermann of the Daly City Police Dept. said today. This is more than just another slogan, the Inspector said. It's an important truth, and one which pedestrians as well as motorists should keep in mind.

At night it often is difficult for drivers to see pedestrians in time to avoid accidents. On the other hand, walkers usually can see the headlights of approaching cars for quite a distance. If they are alert they often can get out of the path of a car before danger strikes.

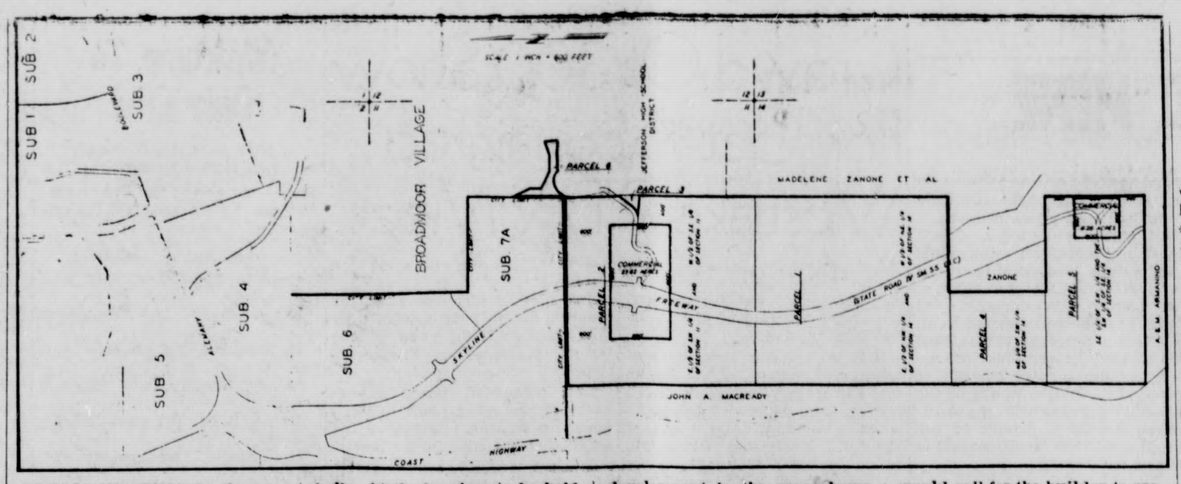
Four rules that pedestrians can follow to keep safe when they must walk near traffic after dark.

1. Always walk on the sidewalk, not in the road. If you have to walk on roads that have no sidewalks, walk on the left shoulder of the road facing traffic.

2. Cross at intersections whenever possible. At night cross at lighted intersections.

3. Remember, pedestrians in dark clothing are difficult for motorists to see. When walking on a roadway that have no sidewalks, always wear light clothing or carry something white. Better still, carry a flashlight or something made of reflectorized material.

4. Don't trust your judgment too far in estimating the speed of an approaching car by its headlights at night. Never cross a street or highway unless you are absolutely certain you have ample time to reach the other side safely.



PUBLIC HEARING on the proposed annexation of 440 acres of Doelger property was set by the city council Monday night for November 8 at 8 p.m. in city hall. At the hearing, to be held in city hall, arguments pro and con for bringing the area into Daly City will be heard. The Doelger firm plans a 3000-home development in the area shown in drawing, which is described as "Westlake Highlands." The council is currently preparing an agreement with Doelger which would call for the builder to provide some of the municipal services necessary when the development is completed.

My Mad World

By Leonore Brewer

Last Spring the San Francisco Museum of Art continued their Art in Cinema Series with a "Famous Directors" group, with one of the guest directors being Vincente Minelli who discussed the tradition of the musical in the development of film as an art. The second half of this series was recently opened by Gene Kelly who spoke on the American dance film before a standing - room - only crowd.

If you missed either or both of these exceptionally interesting evenings which included sections from several films, you now have a chance to see an example of the combined efforts of Kelly and Minnelli at Loew's Warfield where MGM's latest musical "Brigadoon" is currently playing.

You will recall that last June this wee bit of Scotch whimsey played on the Curran's stage. At that time the leads were taken by stars whose principal talent was singing. Since MGM's Cinema-Scopic highland fling stars Gene Kelly and Cyd Charise, emphasis is naturally on their dancing rather than vocal talents and this gives an intriguingly different flavor to the whole thing.

Certain cuts have been necessary, principally in the role of Meg Brockie, whose eager pursuit of the reluctant Jeff Douglas (played by Van Johnson) has been considerably curtailed. However, one must be realistic and accept the fact that amusing as "The Love of My Life" and "My Mother's Weddin' Day" may have been on the stage, their inclusion in the film would merely have stirred up endless censorship difficulties.

Kelly's angular style and Cyd Charisse's gentle grace combine very satisfactorily indeed, notably to the strains of "Heather on the Hill." Van Johnson passes a good deal of the time grousing about the lack of grouse in Scotland and with almost unbelievable restraint resists the temptation to deliver one or two significant lines with a leer, substituting the throw-away technique instead.

Irene Sharaff's costumes delight the eye as always. Color by Ansco is somber and dramatic in the gathering of the clans, or bright and sparkling in the village square, but never garish. When required it conveys that misty dream-like quality that one expects to find in a Scottish Highland village that comes to life only one day every century.

As a showpiece for its stereophonic sound system the Warfield is presenting the MGM orchestra in a "Strauss Fantasy." Someday we intend to do a column on the current trend toward playing "overtures" as part of the complete program. There are such tremendous possibilities in this idea that we certainly hope that whoever is responsible for these shorts receives all possible encouragement.

Maybe someone could even whip up a condensed version of Mendelssohn's "Scotch Symphony" to be distributed in the same package as "Brigadoon."

Rotary Report

By Norris Gregory

The Daly City Rotary club convened on Wednesday, October 6, at Rickey's Red Chimney, Stonestown. The program chairman, Lou Minkin, called on the following members: Bob Watson, Les Ritchie and Jerry Strauss to give a brief review of their lives and what they hope to contribute to Rotary.

Rotary International is celebrating its Golden Anniversary — 50 years since that symbolic wheel started to function, an anniversary that all Rotary members can well be proud of—an enviable record of "Service Above Self."

This week's guest speaker will be the well-known sportscaster, Ernie Smith. Speakers at later meetings will be Father Powell and the French Consul General to the United States.

Christmas Mailing Overseas Deadline Set November 15

The mailing period for Christmas gifts for members of Armed Forces overseas is between October 15 and November 15, Postmaster John F. Fixa announced today. Parcels sent through regular (surface) mail before the November 15th deadline "will be assured delivery before Christmas," he said.

Parcels for personnel serving in the most remote areas should be mailed by October 15th and parcels for delivery in Japan, Korea and islands of the Pacific should be in the mails not later than November 1st for pre-Christmas delivery.

LION TALES

By Joseph Belli Jr.

Zone Chairman Walter Rector, Secretary Ira Neville, and President Joseph Belli Jr. accompanied by their wives attended the banquet of District Four California-Nevada Lions Honoring the officers and Directors of Lions International and their ladies at the Gold Room, Fairmont Hotel on Monday evening, October 11, 1954. Some five hundred persons attended this gala affair and I for one will say that it was worth attending. The speeches were outstanding and were worth while listening to.

The first annual dance of the Daly City Colma Lions club will be held this Saturday night, October 16, at the Daly City War Memorial building. The souvenir booklet has been completed and will consist of 28 pages. A lot of work has been done to accomplish this book. However, I am sure it will serve the purpose and that is to acquaint the people of the area what Lionism is and what it stands for. All plans for the dance are at their final stages and if the people attend this affair it will be a success.

On October 24, it will be the anniversary of the United Nations, thereby on October 20 the weekly program will be in honor of United Nations Week. Lion Ted Weibel, who is chairman of the United Nations committee for the club has arranged a splendid program consisting of four students from the Colma school who will each give a short talk on the United Nations.

Four Practical Points

A club should keep in mind four principal things. First: fellowship that comes from meeting together; second, fun to break down barriers and to get members into a receptive mood for the program; third, a program that will give each Lion at least one good thought to take away with him; fourth, worthwhile activities that are carried on outside the club, to give Lions an opportunity to practice Lionism 365 days a year.

A Lions Prayer

When I attend my Lions club and break bread at the table—I give a million thanks to God to know that I am able to meet there with my fellowman, relax and play and sing, to hear the speakers of the day, the fine thoughts that they bring. I realize that I have a part in caring for the blind, also the underprivileged. Let's keep them all in mind. Now as we do our daily tasks, pray God we do them greatly, then liberty and intelligence will be our nation's safety.

Find Two Fawn Heads In Street

May Get Absentee Ballots Until Oct. 28 -- Bruning

County Clerk John A. Bruning today advised those persons properly registered who will be absent from the county on election day, November 2, or those who will be unable to appear at the polls by reason of confinement to their homes, hospitals, etc., due to illness or physical disability, may make application for Absentee Ballots between the dates of October 13 and October 28.

Voters making application for Absentee Ballots should be certain that they will be at their destination to receive and vote their ballots on or before the day of the election as is required by state law.

Each application must be signed personally by the voter requesting same so that signatures may be checked with the registration affidavit. Application forms may be obtained from the Election Department at the County Court House, Redwood City, or at the offices of any of the City Clerks throughout the county.

Bruning cautioned that October 28 is the final date applications for Absentee Ballots may be accepted.

ASSEMBLY HOPEFUL IN STRATEGIC SPOT AS CREEDON TO QUIT

Democrat James Daly, 34-year-old carpenter from Sharp Park who's "whole ambition" has been to enter government, finds himself in a somewhat strategic position today in his bid for election to the 25th district Assembly post.

Incumbent Daniel J. Creedon, Republican, in an announcement that upset the county political applecart, said last week that despite his imminent appointment to the remunerative position of Brewers' lobbyist, he would stay in the race for the Assembly.

GOP Acts

The stunned county Republican central committee acted immediately, voting 100 per cent to withdraw all support for Creedon, pointing out that if Creedon is elected, then resigns (which he says he will do) it will cost the taxpayers an extra $45,000 for a special election.

DANIEL CREEDON
. . . GOP Displeasure

Creedon argues that he is acting solely in the interests of the people because he believes Daly is "incompetent and unqualified" to carry out the responsibilities of a state legislator.

Daly's rebuttal is that, "It seems to me that the voters are the ones to decide my competency, not Creedon, and they have done so by nominating me in the primary election."

Was A Formality

What had promised to be only a formality of counting the ballots in Creedon's favor November 2, now looms as a close race because of Creedon's generally unpopular and widely attacked decision to save them from the "fate" of Daly with a $45,000 special election.

In the June primaries, Creedon polled a staggering total of 15,241 to Daly's 779 on the GOP ticket. The incumbent assemblyman missed by less than 500 votes of wrapping up both parties and the position as he drew 6420 Democratic ballots, against the Sharp Park carpenter's 6924. Creedon's popularity, numerically, in June was 21,664 to 7703.

With the GOP central committee withdrawing its support and with the general adverse publicity attending his announcement, Creedon is bound to lose many of his supporters at the polls. "How many votes" provides Daly's hopes. Based on the June turnout, Creedon support would have to fall off by two-thirds. With Daly picking up more than 800 splinter Democratic votes which went for Ted Pretzer, he might stand a chance.

Voting, of course, will be heavier but whether this will stand to Creedon's advantage is debatable.

"Can Defeat Him"

Daly says, in a press release, he doesn't wish the incumbent to withdraw. "I would much prefer that this race could have been run without the appearance of conflicting issues because I feel sure in my own mind that I can and will defeat Mr. Creedon in November regardless of any financial support he might derive from his future employers." Despite Daly's statement, it is the 'conflicting issues' which have given him his one shred of hope, astute political observers say. However, he had, prior to Creedon's revelations, already acquired backing of the majority of labor groups.

The carpenter foreman, a resident of Sharp Park for seven years, is a virtual innocent in the ways of government. His sole experience in the field has been campaigning in the Democratic party on a local level.

JAMES DALY
. . . A Shred of Hope

The woodworker, married with two young children, lives in a modest home at 115 Vallicita, Sharp Park.

"Always Interested"

He professes to having "always been interested" in politics. "It's been my whole ambition," he says in a southern drawn characteristic of his native Oklahoma.

Stumping on a platform of welfare benefits which includes increases in unemployment and disability insurance, jacking up the old age pensions, providing public works projects to eliminate unemployment and a compulsory state health plan, Daly is sure to please a segment of North San Mateo county's electorate.

Creedon has already displeased another segment. Whether the opposing political faiths are strong enough in their respective sentiments to elect Daly to the state legislature is a question that will be decided between now and November 2.

PARKING METERS AGAIN TOPIC AT CITY COUNCIL

The much-debated parking meter situation became a city council topic again Monday night as Vance X. Craft, local realtor, appeared to propose that a special parking permit be given to business people.

He complained that businessmen were sometimes in and out of their establishments several times a day and the parking meters posed a problem for them.

He said a commercial license would be the only equitable solution and would be a good source of city revenue.

Councilmen explained that they had called for a traffic and parking meter survey from the police commission and chief.

Ridgley Cummings Reports

THREE ON A CANDLE

Many, if not most, of my Hollywood friends are strugglers. And like a transgressor, the way of a struggler is hard. Some are gifted and may make it some day, but with others their amibition exceeds their energy and talent.

If this sounds unkind, let me hasten to say that I like them none the less because they are still floundering around at the foot of the artistic scale. To dig deep into the awful truth, I probably enjoy their company more for their lack of success.

It is irritating to be continually surrounded by people with more money and fame than oneself. For they are constant reminder of the lack of justice that prevails in the handing out of the good things of life.

This is particularly true of those one knew in their early and struggling days, and I must admit that I seldom see those few celebrities whom I knew way back when. I'm not mad at them and I'm not above accepting an occasional invitation to some event I would otherwise miss.

Let Them Phone

But I let them phone me. And usually when they phone I have a previous engagement to drink coffee and play scrabble with a bunch of actors, writers, musicians or other hopefuls who don't know where their next job is coming from.

All this by way of introduction to the discussion of a comedy titled "Candle Light," in which three of my struggling friends were fortunate enough to secure parts.

To begin with, "Candle Light" is not a very good play. It deals with a prince and his valet and a baroness and her maid. There is a mixup of identities, with the servants masquerading as nobility, aided and abetted by their employers, but deceiving only each other, and that not very long.

Hereditary titles seem strangely dated in these days of cinema royalty, economic barons and TV crown princes. Furthermore the play has no solidity, no timeliness, no message, nor any function other than entertainment. To be amusing, it requires brisky direction with the light touch, plus wit, fire, spirit.

A Mild Interest

A lover of the theatre whether the play be good or only fair, I took a mild interest in this production of "Candle Light," sitting in briefly on a few rehearsals and once acting as chauffeur to see that some of the cast got to the theatre.

My reward was an invitation to opening night. I went with some misgivings, for the rehearsals had been wooden and dull, with the potential humor of the lines seldom realized. The actual performance was less than brilliant, though at least one of my friends acquitted himself well and the other two were possible.

After the opening we all met backstage and my actor friends indicated in no uncertain terms that they hoped, nay expected, to read something favorable about themselves and their play, with me as the writer. What publication they expected the laudatory lines to appear in they left unspecified, assumming no doubt that such boring details were a matter best reserved for my ingenuity.

Promised To Write

I promised to write something but explained that on the basis of the first night's performance it wouldn't be too favorable, that perhaps I had better defer comment until I had seen the play again, in the second week, after they had polished it up a little.

The second week has gone by, and the third week too, and I still haven't gone back, other matters intervening. During the interim however, I did see two of the three and asked them some details about the play, such as who wrote it.

Although they had studied the book diligently and knew their lines, neither could remember the name of the playwright. The best information they could provide was that P. G. Wodehouse, the English humorist, wrote the adaptation and that the late Leslie Howard had appeared in the original Broadway production.

With these slender clues I set about learning the author's name and something of the play's history, for a discussion of a theatrical work without mentioning the playwright is as incomplete as Lady Macbeth without her dagger.

During the course of my research I discovered that "Candle Light" was written in German by Siegfried Gever. It had its American premiere on September 30, 1929, at the Empire Theatre in New York and lasted for 128 performances.

In Cast, Indeed

Leslie Howard was indeed in the cast, as my friends had informed me, but he left the play after a month to take over the lead in another and better production. Others in the cast were Reginald Owen and the late Gertrude Lawrence.

With actors of this calibre it was understandable why the play had been a hit, particularly when one remembers that it opened in an era of frivolity and false prosperity, just before the Black Friday stock market crash of October, 1929.

The role that pulled Leslie Howard out of his valet's costume was that of Peter Standish in "Berkeley Square," a fantasy involving a flight backward through time, one of the best plays in the early science-fiction genre. Opening November 4, 1929, it ran 229 performances, a hundred more than Geyer's Viennese comedy.

If the Hollywood production under discussion had just had another Gertie Lawrence or Leslie Howard in it, my comments would have been more rapturous. As it is, I'm afraid my three friends in "Candle Light" won't be too pleased to see so many words devoted to subjects other than themselves. Their names are Bill Bagdad, Rae King and Gil Ward, all nice and short for marquee purposes. Maybe some day you'll be seeing them in lights.

SERVICEMEN

Airman Martin Now Home After Cruise

SAN FRANCISCO — Albert P. Martin, USN, son of Mrs. Anna Martin of 778 Bellevue avenue, Daly City, has returned here aboard the attack aircraft carrier USS Boxer which is completing an eight-month cruise to the Far East.

The Boxer and her air units during their tour to the Orient, underwent training exercises with the First and Seventh Fleets in the South China Sea and the Sea of Japan. They visited the ports of Manila, P. I., Yokosuka, Japan, and Hong Kong, China.

The Boxer was one of the Navy's most active carriers during the Korean conflict. She completed four combat tours besides one record breaking speed run to the Far East with men and material.

Pvt. Harper Reports

Cherry Point, N.C. (FHTNC) — Marine Pvt. James D. Harper, Jr., of 323 Woodrow street, Daly City, has reported to the Marine Corps air station here for duty with the 2nd Marine Aircraft Wing.

CHOTTA-MATTE

(Ed. note: This is a first publication of a regular weekly column devoted to Daly City's Iwo Jima Detachment, Marine Corps League.)

A couple of years ago a group of people from several walks of life banded together as a result of a common interest. This interest was service with the U. S. Marines. At first the organization was composed of Marines and Former Marines who had had much the same service in World War II and in Korea. Little by little others were recruited and the roster now extends to a retired Colonel and a retired Marine Gunner (both with over thirty years service in the Corps) down to men in their early twenties who joined the Corps for service in the Korean Police Action.

The parent organization is known as The Marine Corps League. It's inception and type of organization are much the same as most veterans organizations. The local unit is titled the Iwo Jima Detachment, Marine Corps League.

The requirements for membership are that an individual must have served honorably (or now be serving) in the U. S. Marine Corps for a period in excess of thirty days. A tour of duty for training purposes only does not count toward this total.

The reader may have noticed the rather odd name that heads this column. This is not an original name. It has been borrowed from the name of a sports column in the TOKYO STARS AND STRIPES, an armed services newspaper of some renown. The words are Japanese and pronounced "Cho Ta Ma Tay," and mean, roughly "Just a minute" or, if you prefer, "Wait a moment."

Any Marine or former Marine residing or working in the area is cordially invited to attend a meeting at Detachment Headquarters (located at 6236 Mission Street, in the Daly City Theater Building) and to look over the facilities and other members. You may meet an old friend there and you will certainly meet new friends there. You are not obligated in any way, just come down and look us over, and if you like the organization we would be glad to have you apply for membership.

The Detachment now has forty-two active members. Members attend meetings from as far away as Mill Valley, to the north, and Palo Alto, to the south. The next regular meeting night is Monday, October 18, at 8 p.m. For further information call PLaza 5-1580.

See you next week in CHOTTA MATTE!

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Here we are again in the middle of another month of beautiful weather. October with its holidays, and hob-goblins coming up, is just about over with. Have you got your Christmas shopping started yet? Neither have I. In the meantime let's get on with the news.

More of the neighbors are still treveling. MRS. PAULINE DAY of Los Banos avenue said goodbye to her niece and children LINDA and GARY last week. They left by ship for Guam on October 5th to join their husband and father who is a petty officer, first class, in the U. S. Navy. They will be gone six years and will welcome any letters from the friends and neighbors who will write. They will be met by quite a reception when the ship docks as it has been over a year since they have seen each other.

MRS. VIOLET BELLIS is another of the neighbors who is celebrating her birthday this week. Of course she's not telling her age but many of the folks will gather together with her family to celebrate the occasion at her home. A happy birthday is wished by all the rest of us, too.

Items of Interest

Birthdays come and birthdays go. There are always those special folks to whom we would like to wish the happiest of birthdays. MRS. HAZEL S. EMERSON, mother of one of the neighbors, celebrated her birthday last week on October 7th. She had quite a day. She was taken out to luncheon by several members of her family and was surprised in the evening by a visit from more of her family, including her great-grandson. She received over fifty birthday cards from friends and foster children whom she has reared over the past years. To be exact, she has reared twenty-eight foster children besides her own three and a grand-nephew, who is at present overseas with the U. S. Air Forces in Japan.

The happiest of days has come to the WALTON family of Knowles avenue. GINGER IS COMING HOME! After a two and a half months stay at Community Hospital where she was treated for bad burns, she's going to get a vacation at home before returning to the hospital for more plastic surgery. While not yet able to attend school she would be glad to see the folks that have remembered her during her stay in the hospital. Welcome home, GINGER. We are all most happy to see you.

DALY CITY'S most popular children's COP MR. ART ALVISO had a birthday last week. While not telling his age either Art has eight grandchildren who make his life most interesting. He celebrated the occasion by being the guest of honor at the home of one of his daughters with all the rest of the family in attendance. A happy birthday to a swell guy from all the folks.

Hillcrest Circle 143 had quite a successful meeting Monday of this week. In addition to their regular meeting they had drill and initiation of twelve candidates. The Druids under the leadership of MAMA LOMBARD have certainly gone ahead this term. Congratulations to a grand lady in the closing weeks of her office.

One hears the sirens blow, sees the fire trucks go by, sometimes follows to see where it is but never expects it to happen to them. Last week yours truly had the unique experience of having a fire. After scattering the kids to the front room I had the thrill of pulling a fire alarm box. In one minute and five seconds I had five companies respond to the alarm plus the fire chief, PG&E, plus the D.C. Water department. It wasn't much of a fire but I will say the service was TOPS. THANKS to the fire laddies for their quick response from a most grateful neighbor.

October 7th seemed to be the most popular for birthdays last week. Little MISS MARGARET LIBERTI celebrated her sixth birthday with a party attended by many of her family and just lots of her little friends. There was the usual ice cream and cake plus presents to delight any six year old.

Servicemen

Thirty days to go in Korea. Just got a letter from CPL. RONALD S. SPECHT of the U. S. Marine Corps. In it he says "I would like to let you know that for my 22 months in Korea I have enjoyed your column very much. I'd like to thank THE RECORD for their kind service in getting the paper to me so quickly. It sure is nice to hear from home and find out what's going on as I have been able to do thru your column. I'll be home by December to thank you personally." Thanks for the letter, Ronnie. I'll be waiting to see you.

Petty Officer 3rd Class RICHARD E. NEGHERBON JR. is a very happy man. His replacement aboard the U. S. S. HOPEWELL, a destroyer in Uncle Sam's navy has arrived. This means Richie has shore duty for the rest of his enlistment, which expires next February. Richie liked sea duty but who wants to take a chance on being at sea when the time arrives for one's discharge. I'll be seeing you, Richie.

I have said boodbye to many, many boys as they left for overseas. I still hear from them, they still come to see me on their way back and I will probably say goodbye to many more. The hardest goodbye I have ever had to say was said Sunday, October 17, when I said goodbye to my son, A 2/c JAMES A. BRUSH of the U. S. Air Force. He will be gone for eighteen months, serving in the Far East Command. Wife AILEEN and son DAVID will wait at home as so many others have and so many others will. Jim fellows in the footsteps of many boys who were his friends and many more undoubtably soon will follow him. Maybe some day the boys, yours and mine, can stay home where they belong. Until then best wishes to Jim from all his friends and we'll be waiting for you along with all the rest.

Seaman BILL BEECHER JR. of the U. S. Navy is a most happy man. He is no longer a storekeeper. After two years he has finally gotten the assignment he wanted. He is now a member of the black gang, which means he helps to keep the engines going. He is due home this week on a pass before his ship sails. All his many friends are waiting to see him as it will be two years before he returns home again from his home base at Pearl Harbor.

News and Views

Another birthday. This time a double surprise was pulled by two wives. MR. JOSEPH CASTELLANO of Santa Cruz avenue has the same birthdate as his brother-in-law. In order to get the men out for an evening each wife told her husband the birthday was in honor of the other guy. Imagine their surprise when the fellows got there to find out it was a double celebration for both husbands. Happy birthday, boys, at least the gals got dinner out in your honor, even if you did have to pay for it.

Sympathies of all the neighbors are extended this week to MRS. MARGE LYNCH and daughters on the death of their husband and father, CLYDE. MR. LYNCH was well known and well loved by all the folks. He was ill but a short time and will be sadly missed by all of us.

Among those who participated in the Columbus Day parade was Boy Scout Troop 243 of OLPH parish. Their marching unit drew such praise that they have been extended an invitaiton to march on the Mission Miracle Mile in the near future at a date to be set soon. The troop was represented by four patrols led by patrol leaders—MICHAEL BRUSH, IRVING CLEMO, JOHN SORENSON and MICHEAL DREW, a representative of the Bat Patrol.

Saw the cutest baby the other day. Grandma BABE DUFFY decided to take a walk from her daughter BETTIE'S home in Westlake to visit old friends. DEBBIE, who is the picture of her mother, is just this week as her mother was when I first saw her twenty-one years ago. Time sure goes on.

MR. DAN CONTI of Knowles avenue is among the folks who were welcomed home from the hospital. Naturally due to an operation Dan was not feeling his best for several days. He would like to hear from any of his friends who would care to call. MARY CONTI, his wife, has been active in so many organizations and given so much of her time to the boys in the service hospitals that she is sure that the folks will think of Dan by either phone or card.

Had phone call today. MRS. ZUGAR of Parkview avenue called to tell me she had heard from her son STAFF SGT. JACK ZUGAR of Fort Lawton, Washington. "I would like to be remembered to all my friends and neighbors who have been so kind in remembering me by letters during the months of my service." JACK, who is in the U. S. Navy serving with the Anti-Aircraft Artillery, expects to see us soon as he will be discharged in the next few months.

Well, folks, this does it for aonther week. I hope there has been something concerning someone of interest to you. Remember the phone is still PL. 5-6482 and I'll be waiting to hear from you. If you don't get me the first time, try, try again, as it may be one of the other neighbors giving me news for you to read. Until then, 'Bye now.

NOVEMBER 18 IS DATE SET FOR FIRST LOCAL CONCERT

Signed contracts for the three attractions to be presented here by the Vista Grande Community Concert association were received this week by the association, it was announced by the executive committee.

Date of the first concert, which will be held in the Daly City theatre, was announced as November 18. Appearing in this first concert will be Stephen Kemalyan, baritone. Kemalyan, a Californian, will be remembered by local residents for his many appearances on the Standard Hour and at the Hollywood Bowl. Young Kemalyan also has made several appearances in motion pictures and television.

February 28 will bring to Daly City Ernest and Miles Eauney and their twin Steinway Concert Grands. These two young men, who are identical twins, will be presented in a concert for two pianos. As one critic described it, they "make the two instruments seem as one," while another commented on their "uncanny cooperation in getting unified effects in music imagery."

The third concert of this season will feature a dance recital by Lola Montes and her Spanish Dancers. Miss Montes has made several appearances in Northern California this past season, most recently at Sigmund Stern Grove in San Francisco. She will bring with her a company of four dancers, a guitar and piano to present a varied program of the dances of Spain. Miss Montes and her dancers have been scheduled for April 18.

Crowd Of 300 Show For Get-Acquainted Westlake PTA Meet

A crowd of 300 parents, teachers, and friends of Westlake school children turned out for the get-acquainted meeting of the Westlake PTA Thursday.

H. Z. Weibel, speaker of the evening, urged support of the Jefferson Elementary school district's plan to keep pace with the population growth of the city. A $1,486,000 bond issue, which will be on the ballot at the December 7 election, will make possible a five year plan of school expansion. These school bonds, stated Weibel, can be sold yearly, up to five per cent of the district's assessed valuation of property. The money, therefore, will be available as needed without the expense of frequent elections.

Weibel presented Miss Marjorie Tobias, principal of the Olympia school and Miss Elisabeth Kennedy, principal of the Westlake school, who introduced their faculty members.

Mrs. Guido Pfotenhauer, president of the PTA, announced the appointment of Mrs. Don Morin, recreation chairman; Mrs. James Moses, ways and means chairman; and W. L. Leavick, cub scout representative.

The unit voted approval of the program for the year, presented by Mrs. Walter Baker, and of the budget, presented by Francis A. Gates.

The assembled group wholeheartedly accepted plans to work toward a children's library as the parent-teacher goal for the year.

The ways and means chairman, Mrs. Moses, presented plans for fund raising which were approved.

Mrs. Ralph Sylvester, membership chairman, announced a very successful campaign in progress. Prize for the first class to reach 100 per cent membership was won by Mr. William Bell's sixth grade class.

A "yes" vote on two state ballot measures, Proposition 2, the School Bond Issue, and Proposition 3, Alcoholic Beverage Control, was urged by citizenship chairman, Mrs. John Eiler.

The kindergarten class of Mrs. J. Wilson won the attendance prize for the evening.

A social coffee hour followed the close of the meeting.

FATHERS TO BE GUESTS AT MEET OF HILLSIDE PTA

Fathers are to be the guests of honor at the meeting of the Hillside PTA Wednesday, October 20, at 8 p.m. at the Colma school multi-purpose room.

The program for the evening has been designed to appeal to dads. The speakers are: Fred Schweickhardt, Jefferson Elementary schools; Glenn South, Jefferson Union High school; Officers Jerry Galindo and Gerald Schaeffer, Daly City police department. They are presenting youth guidance problems from their various levels under the topic: "Begin Today to Accept Civic Responsibility."

"Fathers! Please keep October 20 open to support the 15 men teachers of Colma school, and the guests of the evening," the PTA asked.

The United States Mint in San Francisco is built on a 100-foot solid rock cliff at Duboce and Market streets.

Redlands, located in San Bernardino county, is reported by the National Automobile Club to be the largest orange center in the world and the home of Redlands University.

6th Grade—Room 5
Miss Kearney, teacher.

Our class saw a movie on Fire Prevention Week. It showed us how fire starts. It told us how many people were killed, and how much damage was done in fires. We made posters on fire prevention.

We are studying about Mexico. We have pictures of Mexico hanging up in our classroom. We have a table with things from Mexico. We have a sombrero, a serape, Mexican baskets and Mexican money. We are studying about the Aztec Indians and pyramids, too. We have pictures of them hanging in our room.

We painted some pictures with water colors, and we painted some pictures of trees with fresco paint. Some of the watercolor pictures are displayed.

ALL PROGRAMS SUBJECT TO CHANGE ● NOT RESPONSIBLE FOR LAST MINUTE SCHEDULING

Record Turnout At OLPH Mothers Club

On Friday the Mother's club of Our Lady of Perpetual Help school held its regular meeting with President Catherine Ricci presiding over approximately 150 members, a record breaking meeting.

The kindergarten class and the fifth grade will have an unexpected treat as the result of this meeting as these two classes tied in having the most mothers present at the meeting.

Plans are really rolling in preparation for the club's Gala Christmas Bazaar, a looked-for event each year, and from the reports given at the meeting, this years' bazaar will surpass all its forerunners.

Among the old stand-by booths will be the favorite cake booth, with dozens of home-made cakes. The chairmen for this affair tell us that there will be many specialty cakes for the event.

Chairmen Dorothy Petersen and Barbara Plyer will have as assistants the following members: Virginia Atkinson, Beatrice Calderon, Frances Fullen, Margaret Kennedy, Elsie Thomson, Alma Parmisano.

A toy and Christmas novelty booth will be headed by Virginia Stanley and Isabelle Liberti, as chairmen, who will be assisted by: Louise Bonella, Lorraine Mignault, Rosemarie Hansen, Dorothy Coleman, Florence Yriberri, Dorothy Marino.

Mrs. Janet Fellman, reporting for her popular surpise package booth insinuated that one might find anything from a roasted turkey, baby grand piano to a couple of Mexican jumping beans in her surprise packages.

Mrs. Fellman will be assisted by Marina Ciabottari, Eda Bonini and Mary Viotti.

Edna Cubic, chairman, and her co-chairman, Helen Crystal, will have a grocery booth staffed by Anita Nunes, Leslie Linhares, Jennie Carr, Ann Tremaroli, Mrs. James Ragni.

There will be many other booths, plus a special "kiddie korner" which will be announced as plans are completed.

Special speakers were Sister Regina, principal of the school, who always delights the members with her remarks, and Father Norman Allen, who is the club's moderator. A new feature of the Mothers' club meetings is a question box and Father Allen answered numerous questions but announced to the club that his answers would be confined to spiritual questions only. He refuses to solve budget problems or how to make little Mary's hair curl or Johnny stop fighting with the boy next door.

After the business meeting, the members were served sandwiches, cake and coffee at tables gaily decorated with a Halloween theme. Mrs. Elinor Vinal and her committee of fourth grade Mothers were in charge.

Sutro Heights in San Francisco, once a renowned fashionable gathering place, is now a public park.

Visiting Nurses, Medical Auxiliary Plan Rummage Sale

The Medical Auxiliary and Visiting Nursing association of San Mateo county, Inc. are jointly sponsoring a renovated rummage sale to be held early in December somewhere in San Mateo.

The need for this project arose when the United Crusade 1953 campaign, which services the 1954 budget, fell short of its goal.

This sale will be unique as all rummage will be repaired or cleaned and thus be in good condition before selling. In addition, brand new merchandise is being given by local merchants and various hobbyists, some of whom make jewelry, are contributing their work.

Donation of rummage is not limited to the two sponsoring groups. Anyone in the community wishing to give may drop his donation past one of the following homes which has been offered as a storage depot: Mrs. Harry Smith, 475 San Mateo avenue, San Bruno; Mrs. Thomas Soss, 528 Clark drive, San Mateo; Mrs. Leonard Offield, 130 Stonehedge Road, San Mateo; Mrs. John Harter, 930 Vista Road, San Mateo; Mrs. James Edwards, 2005 Eaton avenue, San Carlos; Mrs. H. A. Clattenburg, 935 Durlston road, Redwood City; and Mrs. Sidney Liebes, 380 Mountain Home Road, Woodside.

Woodrow Wilson PTA Maps Bazaar

Tuesday of last week the Woodrow Wilson PTA executive board held its monthly meeting at the home of Mrs. M. Kerekes. Plans were made for the coming bazaar. It is to be held December 3, the first Friday in the month. There will be food for all and games for the children. Featured will be a table of home-baked goods and a sewing table.

A used electric stove has been purchased with the proceeds from the cake sale held for that purpose by the executive board last May. It has been installed in the kitchen of the multi-purpose room.

The next regular PTA meeting will be held on Tuesday. Safety will be featured at this program. The afternoons speaker will be inspector Henry Sunderman, who will bring forth some important rules of safety in traffic. Mrs. Hardey's fourth grade will present a program. The meeting will start at 1:15 p.m. and will be held in the kindergarten, room 10.

Recent Puppet Show Lauded By VFW Post

Skillful handling of the recent puppet show presented by Evon Candido was lauded by Mrs. Lloyd Eagleton, chairman of the VFW younger tots activities.

Mr. Eagleton said it was one of the most successful parties the youngsters have had presented for them by the Lake Merced Post 9921, VFW.

Today (Friday) the Post will hold an apron sale at King's Market, which will last all day.

Announce Speakers For Play School Tuesday Program

Speakers for the Village Play school adult education program Tuesday will be Ramona Walker, San Francisco social worker, and Effie Robinson, who will discuss the family service agency of the community chest.

The evening classes, held at Westlake school, are open to the public. Starting time is 8 p.m.

GOING AWAY present is given Evelyn Cahn, senior stenographer clerk at city hall, by Charles "Gus" Ford, president of the Daly City Employees' association, at the group's annual dinner dance held Saturday at Lovchen Gardens. Approximately 60 employees turned out for the annual event. Monday night the city council accepted Mrs. Cahn's resignation from her post, in the city administrator's office, which she has held for seven years, and voted her a letter of commendation for service to the city.

Read Acts 27:33-34.

In every thing give thanks: for this is the will of God in Christ Jesus concerning you. (I Thessalonians 5:18.)

After seven days of continuous rain, the sun appeared, radiating light and warmth. I hurried to hang out a large batch of wet clothes in that sunshine. My neighbors did the same. Soon all the yards were full of clothes hung out to dry.

Then I began to meditate on the great things of the universe for the good of humanity: the sunshine, the air, the trees which produce tasty fruit, and many other things too numerous to name.

God gives us our blessings. Besides, He sent us a more wonderful blessing — His only begotten Son to die on the cross for our sins. Also, God sends the Holy Spirit to guide us in this world. He gives us peace of mind that we may not fear the morrow; joy in living, even in the midst of tribulations.

Life is all the richer for us if we give thanks, without ceasing, to our Creator, Redeemer, Father, and Comforter for all mercies.

PRAYER

Lord God, our Father, we praise Thee and thank Thee for the manifestations of Thy love, for material food for our bodies and spiritual food for our souls. We ask Thy pardon for our failure to recognize Thy loving care in the daily blessings we receive. In Jesus' name. Amen.

THOUGHT FOR THE DAY

It is the will of God that we be thankful.

Plan Social Eve At Bethel Lutheran

Today (Friday) at 8 p.m. a social evening will be held at Bethel Lutheran church, Alemany boulevard and Huron avenue. The program will emphasize the relationship between the family and the church. The film entitled: "Faith Of Our Families," which shows how to make family worship a regular part of home life, will be the feature attraction. The occasion also offers an opportunity for Christian fellowship. Refreshments will be served. The stewardship committee is in charge of arrangements.

The Sunday school meets 9:30 a.m. The adult Bible class is at the same hour and is conducted by the pastor, the Rev. Herbert P. Schroeder.

Divine worship is held at 10:45 a.m.

Movies. Games For Kids Offered As Bazaar In Progress

One of the outstanding features of the annual bazaar of the Women's Broadmoor church association will be movies and games for the children so that parents may enjoy the bazaar while the children attend the movies.

The bazaar, to be held November 4 and 5 at the Broadmoor Community Presbyterian church on 87th street, will feature attic treasures dry goods department, florist, variety store, grandma's pantry shelf and the wishing well. Doors will open at 5:30 p.m. and all are welcome.

Pilgrim Congregational Church To Hold Bazaar

The Pilgrim Congregational Community Church, 400 Randolph street, will hold its annual International Bazaar, Friday and Saturday, October 15 and 16.

An invitation has been extended to the public to attend on Friday. A ham dinner will be served from 6:30 to 8 p.m.

The first commercial telephone exchange in the world was opened at New Haven on January 28, 1878.

Maximum Crowd Attend Opening Baptist Services

A maximum congregation attended the opening services of the Westlake Community Baptist church, October 3 and 10 in the new Westlake Protestant Chapel, Westlake Medical Center building, 48 Park Plaza.

The slow return of bids on the various parts of construction has delayed erection of the building. It is hoped that within the next six weeks construction on the first unit may be started.

Last Friday evening twenty young people of the Youth Fellowship Group attended a skating party at the beach.

The Sunday evening services at 7:30 are now featuring religious sound films depicting historical Bible lands and Bible characters. The sound films have been acclaimed the finest among religious films. The youth Fellowship hour at 6:30 o'clock has become one of the fastest growing groups within the church.

TOP DANCE BAND ENGAGED FOR DANCE AT BAY MEADOWS

Jimmy Diamond's orchestra, one of the bay area's top dance bands, has been engaged for Saturday night's dance in the peninsula's new ballroom, located in the club house at Bay Meadows in San Mateo.

Diamond plays each year at the annual TV award banquet and has appeared at several of San Francisco's leading hotels. He also is known to television viewers due to his former program, Broadway Time.

Saturday night's dance will be third in the series of weekly events being held at Bay Meadows to provide additional recreation for peninsula residents.

WEST PORTAL PTA CARNIVAL TIME ON SKED FRIDAY

"Carnival Time," sponsored by West Portal PTA, is scheduled for Friday from 4 to 10 p.m. in West Portal school's upper recreation area, at Taraval street and Lenox avenue. Friends and families of all children enrolled in West Portal school are welcome to attend this gay celebration.

"Movies, games, prizes galore and delicious refreshments await all who participate," says Armen Terzian, carnival chairman. "A white elephant booth will be well-stocked with bargains specially priced for rapid sale. A decorations booth will feature pine-cones, driftwood, shells and other material especially adaptable for flower arrangements. There will be a plant booth to provide new material for gardens that need re-stocking. Handmade potholders, aprons and other specialty items will be a plant booth to provide new material for gardens that need re-stocking. Handmade potholders, aprons and other specialty items will also be featured."

Refreshments will be in full supply. Cakes, cookies, candies and cup cakes will be provided for on-the-spot and take-home consumption. There will be hot dogs, sandwiches and beverages to satisfy the anticipated large attendance.

Proceeds from the affair will help to supplement funds needed to support the braille project and other worthy activities sponsored by West Portal PTA.

SMJC HOMECOMING

Homecoming at College of San Mateo has been announced for November 4, 5, 6. It will include a bonfire rally, a football game, a special dinner for alumni, followed by a dance and the crowning of the Homecoming Queen.

Double Succoth Fete Is Planned By Temple Group

A double Succoth celebration is being planned by Westlake Temple Group, the first to be held, this Friday evening at 8:15 p.m., at Congregation B'nai Israel, 67 Los Banos avenue, Daly City, when the Succoth Festival will be observed according to tradition and the festive ritual will be conducted in a special Succoth erected and decorated by the Daughters of Israel.

The second celebration will take place on Sunday morning at the Westlake School of Music, 95 South Mayfair, where a traditional Succoth, erected by members of Westlake Temple Group and decorated by its Sisterhood, will provide the traditional atmosphere for the Succoth observance for children of Westlake Temple Sunday school. On this occasion, all new students will be consecrated and all will join in partaking of symbolic delicasies associated with the Succoth Festival.

Blown Head Gasket Traps Dove Violators

A combination of circumstances, including a breakdown of the game wardens' car, resulted in the apprehension of three southern California men who had killed 218 doves in two days near Blythe.

Overcaution by the violators in taking their illegal bag to a waiting airplane also contributed to the chain of circumstances, according to a report by Game Warden George Werden of Riverside county.

Werden, together with Warden Spicer and U. S. Game Agent Elder, had kept the strange airplane under surveillance with the assistance of the Civil Aeronautics Authority, and were informed it was being readied to leave.

While driving to the airport the head gasket in the wardens' car blew out, forcing a delay.

But in the meantime the violators had returned to their cache for another load of doves, and were arriving at the airport when the three wardens finally got there.

A check of the airplane showed ten doves in each of the three hunting coats and several shotgun shell cartons with doves inside. These had been brought to the airport by the hunters on their first trip.

Doves brought out on the second trip were wrapped in paper cartons.

All three—Kenneth H. Chesley of Anaheim, M. T. Fillmore of Bakersfield, and Tracy Harkness of Bakersfield, pleaded guilty and were fined a total of $1,000. The doves were turned over to charitable institutions by Judge F. E. Anderson of Blythe.

Today there are three Fish and Game wardens who believe thoroughly in that old proverb about "an ill wind that blows nobody good."

MERCHANTS MAKE FINAL PLANS FOR XMAS PROMOTION

Final plans for Christmas promotion were made last night (Tuesday) by the Westlake Business and Professional association.

The merchants will each decorate their own stores, with prizes of $50, $25, and $10 going to the best decorations. All stores in the center will be eligible to compete.

In addition, four trees in the mall will be decorated with lights, as will all posts in the shopping center.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory or supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issued under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

Teen-Agers Take Over Home; Hold Beer Party There

An un-identified gang of teen-agers forced their way into a Westlake home Saturday night, threw a wild party that lasted several hours and departed after splashing beer on the walls, windows and floors of the residence.

Police were summoned by Mrs. Sue Ann Hillis, 39, of 22 Fairway drive. Mrs. Hillis said she had gone out for the evening Saturday, leaving her son, Jervais Hillis, 17, and his grandfather to enjoy a "quiet" evening at home.

The youth reported that shortly after his mother left, about 7:30 p.m., a group of seven or eight boys, described as 17 or 18, rang the door bell and then forced entry into the home.

According to young Hillis the gang of youths then started to hold a party. Everything was orderly, the boy said, until the group went downstairs and started drinking beer they had brought with them. The drinking spree lasted until midnight.

On investigating the home following the incident, Daly City police officer John Walsh said beer had been splashed on the walls, carpet, windows and floors and a silver ash tray had been stolen.

The Hillis youngster said he knew who the youths were who broke into the home but was afraid to reveal their identities for fear of his personal safety.

Police said the boys may have been former Jefferson Union High school students, since Hillis had attended school there.

Taggart To Head Delegation When Stevenson Lands

Dr. Harold F. Taggart, Democratic candidate for congressman of San Mateo county, will head the delegation which will greet Adlai Stevenson when he arrives at the San Francisco Airport Saturday afternoon for a $100-a-plate dinner at the Fairmont Hotel followed by a mass rally at 8 p.m. at the Civic Auditoruim.

North County Democrats will join with others throughout the Bay Area in the caravan which will proceed up El Camino Real and over to Daly City prior to the rally according to Taggart, county chairman.

A 10-minute demonstration complete with noise makers and music will be held on the floor of the auditorium for all Bay Area Democratic candidates. These include James B. Daly of Sharp Park, 25th District Assembly candidate; Frank Groves of Redwood City, 26th District Assembly nominee and Taggart.

Only a few $1 and $5 tickets for the rally are still available at Democratic headquarters, 128 North B street, San Mateo, Taggart said.

SCHOOL TRUSTEES URGE U.N. CONFAB IN SAN FRANCISCO

A resolution that the 10th anniversary of the signing of the United Nations charter be held in San Francisco, birthplace of the UN, has been signed by the Jefferson Elementary School district board of trustees.

The resolution said that, "It's historic importance and the expressed desires of many of its charter signatories call for the United Nations to come to its birthplace in 1955 to commemorate the 10th anniversary of the San Francisco Conference and the signing of the United Nations charter."

Proposal that the United Nations be officially invited to convene its General Assembly in San Francisco next year was made originally by the Press & Union League Club of San Francisco.

The school trustees said they would offer full cooperation to bring about the success of the undertaking.

Set Of Golf Clubs Valued At $275 Is Taken From Merced

A set of golf clubs valued at $275 was stolen from the Lake Merced Golf club professional shop Saturday, according to local police.

Pat Mahoney, Lake Merced golf professional, reported that the clubs belonged to a member, Benjamin Annixter of Kentfield. Mahoney said someone must have entered the pro shop locker room Friday night or early Saturday morning and taken the clubs out of the rack.

Formal Dedication Of SFS College Is Being Observed

Under construction for five years, the new San Francisco State College campus will be formally dedicated and opened for public inspection through Saturday. Described as one of the finest college plants in the nation, the 94 acre, $13,000,000 campus will be the setting for numerous civic and college sponsored celebrations. Mayor Elmer E. Robinson has proclaimed the week as San Francisco State College Dedication week. The President of the United States heads the list of dignitaries who have sent greetings to the city and college on the completion of the campus.

State, city, and college officials whose diligent work brought about the construction of the campus will gather in Cox Stadium on Saturday at 10 a.m. for the colorful dedication ceremony. Ordway Tead, editor, Harper and Brothers, New York, will deliver the main address. Delegates representing 200 foreign and domestic colleges and universities will join the 365 State College faculty members in an impressive academic procession during the ceremony.

A conference on Higher Education will highlight the Friday program. Representatives of leading colleges and universities in the west will participate. President Harry D. Gideonse, Brooklyn College, will deliver the main address.

An informal reception for 850 dedication delegates, guests, and faculty member is scheduled for 4 p.m. Friday.

CCSF Thespians To Present "Gaslight"

The Little Theatre of City College of San Francisco will offer its production of Patrick Hamilton's Victorian thriller "Gaslight" (Angel Street) on Thursday, Friday and Saturday nights, October 14, 15 and 16 in the Little Theatre located in the Science Building of the College. Curtain time is at 8 p.m.

With greater attention paid to Little Theatre ideas in production and management, "Gaslight" will be the first of a series of three productions to be put on during the Fall Semester.

Joyce Cody, Warren Smith and Pete Garrett handle the main roles of the five person cast.

NOTICE INVITING SEALED PROPOSALS OR BIDS

90TH STREET, ET AL PROJECT NO. 54-1

Pursuant to the Municipal Improvement Act of 1913, as amended, and the resolution directing this notice adopted on September 13, 1954, by the City Council of the City of Daly City said Council invites sealed proposals or bids for the grading and construction of sanitary sewer mains, sewer laterals, manholes with frames and covers, water mains, fire hydrants, storm drains, curbs, gutters, sidewalks, paving and appurtenances as more particularly described in Resolution of Intention No. 1996 adopted by said Council on June 28, 1954, which resolutions are on file in the office of the City Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefore and preliminarily approved by said Council on September 20, 1954.

Payments will be made in cash by said City to the Contractor on itemized estimates duly certified and approved by the City Engineer of said City, based on labor and materials incorporated into said work during the preceding month by the contractor. However, notice is given that a period of 60 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of the bonds issued upon the unpaid assessments. City shall retain ten per cent (10%) of the amount of each such estimates, and the accumulation of said amounts so retained from said progressive payments will be paid to said contractor 35 days after the completion and acceptance of said work by said City Engineer and said Council.

Notice is hereby given that on September 13, 1954, the Council adopted a resolution determining the general prevailing rate of per diem wage to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by a certified check payable to the order of the City, amounting to ten per cent of the bid, or by a bond in said amount and payable to said City signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said City in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the City Clerk of said City on or before 8:00 o'clock P.M. of the 25th day of October, 1954, at the regular meeting place of said Council, City Hall, Daly City, California, said time being at least ten days from the time of publication of this notice. Bids will be publicly opened, examined and declared on said day and hour.

A copy of the plans and specifications may be obtained from the office of Edwin H. Smith, 914 Spring Street (P. O. Box 980) Redwood City, California, upon deposit therefor of $20.00, $10.00 of which will be refunded if said plans and specifications are returned within fourteen days.

Despite Two Losses, Jeff Gridders "Up" For Palo Alto Today

Despite two straight losses, things don't look too bad today (Friday) as the Jefferson Sigh school varsity grid eleven prepares to board the south-bound bus for a Palo Alto contest at 3 p.m.

Explosive halfback Jim Honeywell is the reason for this seemingly un-called for optimism.

In the league opener last week the Indians were set down hard, 38-16, by a machine-like San Mateo eleven.

But Coach Joe McGrath found out one thing at that game: Honeywell can run.

On 16 Plays

The 165-pound back, who has been ailing with a gimpy ankle for the past two weeks, was only used "sparingly" Friday but managed to eat up 128 yards of gridiron ground and score two touchdowns in 16 plays. For that short period, he outrushed any back in the Peninsula Athletic league.

McGrath hopes Honeywell and another injured back, Del Hamann, will be at full throttle today.

In the event they are, the Jefferson eleven will be an entirely different team than has taken the field in the last two outings.

Good First Half

The initial half against San Mateo last week brought no criticism against the Jeffs. Their coach described it as "a heck of a good game even though we lost." The Indians trailed by only 13-9, at half-time. The Mateans would have been scoreless had not the Jefferson quarterbacks pulled a cardinal sin twice—on fourth down and deep in their own territory the Indian field generals elected to try for it, with disastrous results. Both times they lost the ball and the Bearcats made harvest of the advantage with six-pointers.

In the second half it was the story of a pea-green defensive backfield unable to cope with a polished passing attack and two goliath-like ends.

Anyway, that was last week and Coach McGrath, no man to sulk over past tragedies, is looking up to today's contest with a highly-touted Palo Alto Viking. The Vikes won their league debut against Willow Glen, 20-14.

"We can beat 'em," Joe phophesies, adding quickly that, "Even if everybody's healthy we're still stacked pretty thin."

Same Starters

McGrath will use the same starting line-up today that greeted the Mateans last week, with two big exceptions. Honeywell will start at his regular halfback chores in place of Ron O'Rourke, while George Seeger will open from the fullback position. Don Wise started for the Jeffs at that spot last week.

McGrath will use big Seeger for the quick-openers and the plays that grind out four and five yards at a time. Friday he averaged four yards a carry.

The Jefferson coach thinks his charges will be able to move on the offensive, with Hammann and Honeywell at full operating speed. His problem, again, will be pass defense. Everyday of this week he has sent his players through rigorous pass defense workouts. Whether it paid off, he'll find out this afternoon.

Police Pistolmen Vie Sunday At Ottoboni Range

An estimated 100 hopeful pistolmen representing law enforcement agencies throughout the county will gather Sunday at the Ray Ottoboni range in Colma to vie for a perpetual trophy and three individual team trophies.

The Camp Perry match will start at 9:30 a.m. Daly City and Broadmoor police teams have been tabbed as strong contenders for second and third place honors. The sheriff's team has been established heavy favorite, lead by Ottoboni himself.

All members of the Daly City police will compete, with the four lowest scores being counted in the competition. Members of the Broadmoor team will be Chief Ray Savage, Commissioner Harry Brown, reserve officer Bob Henderson and reserve sergeant Ralph Coppola. All four of the Broadmoor team have averages of 260 or better.

Perpetual trophy, on which the winning team's name will be inscribed, will be kept for one year by the victor.

Individual trophies will go for first, second and third place winners.

Donating money for the trophies are: Peter Markovich, Sprouse Reitz, SSF Florist, Ann's Smart Shop, Santini & Soccucci, George Lagomarsino Co., A. J. Gaggero, Lucca Market and Lombardi Auto.

MOLKENBUHR STILL HEXES SARTO CLUB

Cop 3-2 Victory In Peninsula Play

Still holding a hex over Sarto A. C., Molkenbuhr brothers squeezed out a 3-2 win over the local club Sunday in the opening contest of the Peninsula league.

It was marked the fourth win for Molkenbuhr in five games played with Sarto.

Failure to hit with men on base was Sarto's downfall. Lowell Creighton turned in a good enough mound performance for the AC, allowing only five hits, four walks and striking out five.

The game was played in near-record time, one hour and 45 minutes.

Sarto will face the Hilltoppers this Sunday at Marchbanks, beginning at 2 p.m.

NORTH AMERICAN CHAMP TO HEAD OLPH MAIN EVENT

Two of the country's leading amateur lightweights will head the fight card October 28 when the OLPH Men's club presents their 10-bout program at the Daly City community center.

L. C. Gage, 20-year-old North American amateur lightweight title-holder, will battle Luis Molina, also 20, who is a product of the Santa Clara Youth Center and the leading lightweight contender in his area.

Both main-eventers will weigh 132 for the fight.

Gage, in addition to his championship, holds numerous Golden Gloves crowns and has won the diamond belt.

The fight program will commence at 8 p.m.

Tickets may be purchased at the box office. Information may be obtained by calling Bob Lynch, publicity manager, at PL. 5-0257.

SARTO MIDGETS NOTCH SECOND STRAIGHT VICTORY

Sarto Midgets, paced by Rich Morales four-run swat, racked up their second straight San Francisco Midget league win Saturday as they topped Glen Park, 12-9.

George Claus, Beezie Krohn, Jeff Pearlman and Morales each got three hits in four attempts.

Mike Kennedy worked on the hill for Sarto.

Daly City Boys club had the dubious distinction of losing their second stragiht in the SF "D" circuit, suffering a 7-1 rout at the hands of Larry Barrett's.

Four unearned runs off John Spadoni and Larry Kane hurt the Daly City cause.

College Of San Mateo Embarks For SRJC Tilt Saturday Night

By car and bus College of San Mateo gridders, rooters, and band members will trek to Santa Rosa Junior College this Saturday for a night game with the Bearcubs there. The game is a Big Seven Conference tilt. Santa Rosa is having homecoming this weekend; so the game gains added importance.

Coaches Duane Whitehead and Herb Hudson will take the whole squad north for the game. Over the past weekend the championship holder, West Contra Costa, defeated San Mateo on the Burlingame High school turf, 45-12. The game was the first Big Seven contest for both schools.

The largest settlement of Chinese in the world outside China is San Francisco's Chinatown.

BOBO OLSON TO REF BROADMOOR FIGHTS

"Bobo" Olson, world middleweight champion, will be judge and guest of honor at the free boxing bouts to be presented Saturday night at the Garden Village school in Broadmoor beginning at 7:30 p.m.

Under sponsorship of the Broadmoor Youth association, the card will feature nine bouts with members of the All Hallows Boys club participating.

The participants will be under the direction of Coach "Corky" Shorsen and Joe Muscat. Referee will be Jack Downey, well-known figure in the fistic and wrestling world.

Handling the mike will be "Scotty" Butterworth, who has taken time out from his announcing duties at Dreamland and Civic Auditorium.

Professional timekeeper Ed Pryal will be at the bell and counting the knockdowns, while Dr. "Bob" Terry, former Notre Dame star, will be the physician in attendance.

Broadmoor association officials Ray Savage, police chief, and Ross Hilton, have also been able to obtain, in addition to Olson, Dr. Timothy Georghagen, world-famous Irish wrestler and strongman, who will entertain with "unbelievable" feats of strength.

An added thrill will be the punching bag act of Sam Slavich, recently seen on the televised "You Asked For It," show.

Westlake Homes Split Pair Of Close Contests

Westlake Homes hardball nine split a pair over the weekend, both by the margin of one run.

The local club dropped a 3-2 decision Saturday to the Pirates in the Saturday league, as the Homes outfit was held to two hits.

Returning to action Sunday at Seals Stadium, Westlake outscored Feil Radio, 2-1 in a tight pitchers' set-to. Westlake was out-hit by Feil, 6-5, but managed to squeeze across the one extra run that proved the margin.

Pitcher Ed Shank led Westlake's hitting attack against Feil with two safeties.

In Saturday's game Russo and Venturoni hit safely for the local club. Westlake pitcher Petroni gave up six hits.

JEFF FROSH SOPH OPEN VS. SEQUOIA

Coaches Bemoan Lack Of Experience

Long in numbers, but short on experience the Jefferson High school frosh-soph football club were scheduled to open the season yesterday (Thursday) against once-beaten Sequoia.

The local gridders drew a bye last week, as their opponent for yesterday, Sequoia, was toppled by Menlo-Atherton, 7-0.

Greeted by 104 hopefuls on the first day of workouts, Coaches Ernie Ribera, Lou Martin and Jack Williamson declare they're all "pretty green."

Among the returnees are center Rich Duncan, tackles George McNutt and Ron Moon.

Prior to yesterday's game, the frosh-soph outfit had held only one minor scrimmage, that with Lick-Wilmerding.

Minus the advantage of a few revealing games under his belt, Ribera has listed the following eleven men as his tentative number one outfit: Del Scott, le; George McNutt, lt; Jim Beaton, rg; Rich Duncan, c; Boyd Hillyer, lg; Ron Moon, lt; Steve Canty, re; Dan Miceli, lh; Roy Corner, rh; George Domenici, fb; and Paul Tapia, tailback.

Second team is made up of Mike Cooper, le; Dave Montez, lt; Ray Diaz, lg; Bill Brown, c; Bob Nunes, rg; Frank Pitto, rt; Lee Casentini, re; Ed Leveroni, lh; Vern "Sonny" Martinez, rh; Bob Brandt, fb; and Mike White, tailback.

Schedule

October 14—Sequoia here.
October 21—San Mateo here.
October 28—Palo Alto there.
November 5—Capuchino there.
November 11—Carlmont there.
November 18—Burlingame here.
November 24—SSF there.

GATOR-AZTEC GRID TILT NO ORDINARY ONE

Statistician Is Out With Injuries

Last Friday night's contest at Cox Field between San Francisco State's Gators and the San Diego State Aztecs, was no ordinary one. Only one thing happened that was predicted—there was a final score, with the Gators getting the best of it, 12-10.

It looked like it was going to be one of those nights when the efforts of Frank "Bow Tie" Walsh, San Francisco's publicity man, were foiled when he attempted to have the school's live alligator mascot, Big Baggo, view proceedings from the press box. Irate members of the press threatened to picket, and when officials wouldn't let the "little fella" cavort on the field, it marked a temporary delay of his debut before the home town fans.

The band then tried a new wrinkle when it waited until after the opening kickoff to play the Star Spangled Banner. Several service men were caught with their salutes down, while the general feeling in the stands was that State had changed its fight song in commemoration of varsity players soon to enter the armed services.

Coach Joe Verducci, Mayor of Daly City, and his aides spent long hours in devising elaborate plays to beat the Aztecs, so shortly thereafter, Harry "The Horse" Bremmond, Gator scatback, ad-libbed with the most deceptive play of the night. He ran out from under his helmet while an embarrased San Diego player, thinking Bremmond was still in it, wrestled mightily with the helmet as Harry Sped merrily on his way.

San Diego was finally dealt a crushing blow when, with only two minutes left to play, their star fullback, Norm Nygaard, was injured.

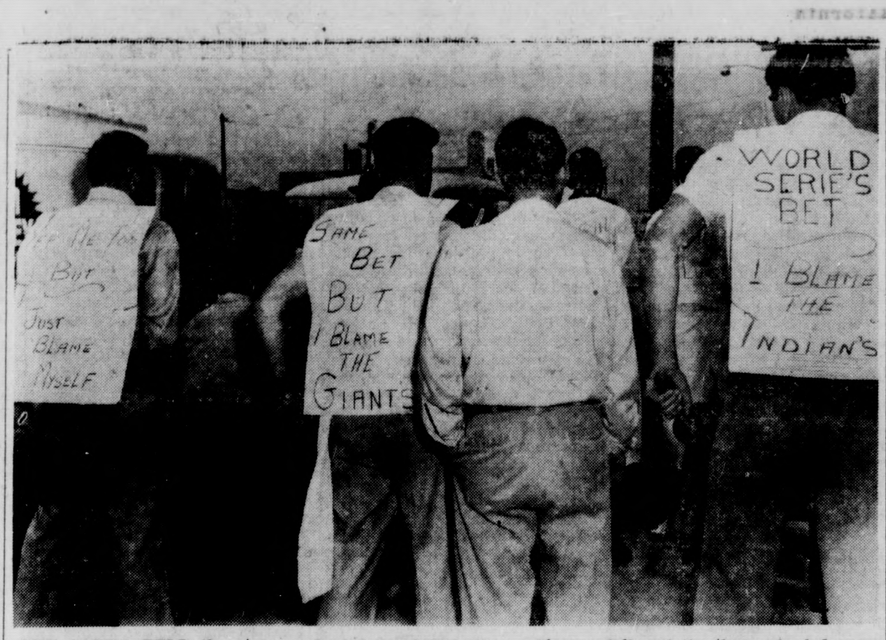
Gator rooters in the press box expressed their sorrow at Nygaard's being hurt — after they were sure he was being removed from the game.

Yes, it was one of those nights. The statistician came up with a pulled finger muscle on his writing hand just before the game. He could see only limited action — when the team's got inside the ten yard line. So when his inexperienced and obviously confused substitute was asked to comment on the game, he summed things up nicely by saying, "What game?"

Valentino Named Permanent To Custodian Position

Sam Valentino, custodian at the Daly City community center, was named permanently to that position Monday night by the city council.

His one-year probationary period was declared completed October 1, and his permanent status and salary were made retroactive to that date.



THE CARDS TELL the story, reading right to left, of the bet pay-off held Sunday on Mission street, as three Daly City Cleveland fans pushed three Giant fans 2½ miles in wheelbarrows. A cavalcade of some 25 autos, headed by a Daly City police car, followed the three-wheeled procession.

HIGH SCHOOL CAGERS GUNNING FOR FIRST TWIN CHAMPIONSHIP

If Coach Mike Orlich's two lightweight basketball squads can maintain the pace, Jefferson High school may annex their first PAL double championship in history this year.

The local 10s and 20s clubs made it four straight wins apiece Thursday as they turned back a pair of good Half Moon Bay clubs.

The 20s knocked the previously unbeaten cougars down a notch as they racked up a 37-26 win, paced by Len Hinterman's 13 points. The 10s had it easy, routing the Coastside club, 46-26. Guard George Dye led the little Indians with 13 markers, followed by Puzzy Firth's eight counters.

The local clubs drew a bye Tuesday, and were scheduled to square off against Carlmont here yesterday (Thursday).

ENCOURAGING RESULTS ON CRUSADE KICKOFF

The first week of the United Crusade drive in San Mateo is over and the results, according to Campaign Chairman W. R. Thigpen, are very encouraging. Thousands of volunteer solicitors are visiting their neighbors in a house-to-house effort to reach every family in San Mateo county.

San Mateo county residents who are employed in San Francisco and give where they work have been advised that their donations will not go towards their own community unless so specified when the donation is made.

San Francisco's $28,000,000 Civic Center is composed of the City Hall, Civic Auditorium, Public Library, State Building, Opera House, Veterans' War Memorial Building, Health Center and Federal Building.

COUNCIL COMMENDS MERCED MANAGER ON RETIREMENT

For "outstanding services to youth and the city of Daly City," the city council Monday night passed a resolution of commendation for "Charley" Hook, retiring manager of Lake Merced Golf & Country club.

The council said this is "our way to show thanks from the city of Daly City and its people to 'Charley,' who has done such outstanding service to the community."

Hook has managed the Lake Merced club since 1938.

He plans an extended vacation now that he has entered retirement.

Jeff Harriers Are Shooting For Top Position In League

Jefferson High school's cross-country team, primed for the PAL championship this year after placing second in 1953, launched their season yesterday (Thursday) against Palo Alto at Golden Gate park.

Coach George Simon's initial year of building is expected to pay off this year, as interest in cross-country competition has mounted at the local high school.

Making up the local Harriers are: Jim Rector, Richard Fambrini, Clark Souza, Bob Pool, Jim Taylor, Allen Grasso, John Jackson, Duane Hale, Lowell Klaisner, Jerry Nix, John Eckert, Bruce Lavanzano and Carl Thomas.

Schedule

October 24 — PAL schools at Stanford.

November 4—PAL schools at Stanford.

Novmber 12—NCS at Stanford.

November 20—NCS finals at Stanford.

MOSSI TO PUT IN APPEARANCE HERE

Don Mossi, pride of the Cleveland Indians by way of Daly City, will appear here Saturday night at the Daly City community center to present awards to winners in the recently completed Midget and Little leagues.

Receiving trophies will be Daly City Midgets and Sarto No. 1, champions in their respective competition. Sarto No. 2, runner-up in one league, will also be given an award.

The presentations will be made at 6 p.m.
